

Central Motor Registry Information System (CMRIS)

Step-By-Step Guide to Apply for Motor Vehicle Change of Ownership

1. The owner of a motor vehicle (Seller/Applicant) must be the initiator of the request for change of ownership.
2. A vehicle that the ownership is to change must have been registered on the CMRIS portal and a certificate obtained.
3. To obtain the CMR certificate, the Seller/Applicant should visit CMRIS website via <https://cmris.npf.gov.ng> to create a profile and apply for CMR certificate. This is mandatory before a vehicle's change of ownership request can be processed.
4. To apply for Change of Ownership:
 - a. Applicant/Seller visits CMRIS website via <https://cmris.npf.gov.ng> and logs in to his/her profile to apply:
 - i. Select **CMR Information**.
 - ii. Select **Motor Vehicle Change of Ownership**
 - iii. Select **Licence Plate Number** of vehicle to be sold
 - iv. **New Owner ID Verification:** Select the Buyer's profile status:
 - Existing:** Select/enter required data and upload Document
 - New:** Buyer visits website <https://cmris.npf.gov.ng> to create a profile.
5. **Confirm Identity:** Enter verification token sent to the phone number and email of **Buyer** (to establish agreement between Seller and Buyer).
6. **Request Confirmation Page:** Tick the **Check Box** to confirm correctness of information and click **Proceed**.
7. Invoice is generated (can be viewed/printed) Click **Make Payment** using any of the listed **Payment Methods**.
8. After successful payment, Receipt is generated (can be viewed/printed). Click **Finish** to end the transaction.
9. Request is processed and if approved, a **Motor Vehicle Change of Ownership Certificate** is issued digitally to the Applicant via email. If Not Approved, a Notification is sent to the Applicant digitally for information (with reason for the denial).
10. The processing takes between **24 - 72 hours** to be completed.
